

CORPORATE BIKES

CUSTOMIZED TO FIT YOUR BRAND'S NEEDS

Trend setting, innovative and fitness are highly desirable images, which are instantly brought to mind when using corporate bikes as an advertising and promotional vehicle. Wherever the bike goes, your brand goes too. This eye catching, unusual marketing tool allows bikes to be tailored to your corporate style and image. The result is a bike that is memorable, stylish with street credibility showing your company is a market leader in every way.
